

## Greetings!

Please take a moment to glance at our many 'Visual Documentation' services, which **P-Tn** offers to clients in the construction, design, and engineering industries in Kansas City, and throughout the Midwest. Our **photographic & video imaging services** deliver professional quality results. With over forty years in business (est 1973), and seventy-plus years of documentation field experience, our clients are assured of personal service and the latest in digital imaging technology.

Our **P-Tn LANDING APP** is the foundation of our service delivery, and exceeds nearly all standard construction specification requirements – a competitively priced all-digital solution for storage, easy retrieval, and viewing of photo or video documentation, with imagery linked directly to plan sheets. **Our LANDING APP delivers ...**

**Pre-Construction PHOTO and VIDEO 'Visual Documentation'**  
**AERIAL and ground-based Construction ProgressPHOTOS**  
**IN-WALL documentation of Mechanical-Electrical-Plumbing, before enclosure.**  
**TOTAL-Building documentation prior to occupancy.**  
**Post-Construction PHOTO and VIDEO Documentation**  
**VIDEO recording of Equipment Training Sessions for Building Owners**

**We design, install, & host ProgressWEBCAM internet site-monitoring systems.**  
**Visit your project site via the internet - and control the camera.**  
**Daily site activity PICS are captured and stored in a user-friendly archive,**  
**building an edited full-length Time-Lapse ProgressCAMovie.**

**LET US INTRODUCE YOU to**  
**iProjectCloseout iPlanLink MostCurrentSet from iProjectSolutions**  
*Have one last check to confirm you are using documents from "the most current set", eliminate time consuming tasks associated with file creation, online posting, and archived file retention. Link ALL your project documents [including all photos & videos] to the original design plan sheets and discover that you need no longer rely on paper-based closeouts.*

**Plus ... a line-up of powerful iPlanTable interactive workstations!**

**Schedule an in-office presentation of P-Tn's LANDING APP and the full range of other Information Power Tools for professional PROJECT and FACILITIES MANAGEMENT.**

**Please visit our website at P-Tn.com to learn more about our Visual Documentation services!**

**FORTY YEARS** of Visual Documentation

We know *photo - digital - video*. Using film, airplanes, helicopters, video cameras, web cams, digital cameras and computers, we've seen buildings, process plants, pipelines, and street improvement projects. We know what to look for, and how to record it & describe what we see. Hundreds of clients have helped grow P-Tn to a combined 80+ years of photographic experience serving both the construction and engineering industries, beyond the Kansas City area.
